

Public Notice: Trail Access - North Side, Muskrat Falls

Nalcor Energy - Lower Churchill Project

Nalcor Energy advises the public that site work will continue in the trail area on the north side of Muskrat Falls until September 24, 2012. During this time the public is advised to exercise caution in this area and to avoid this section of the trail, if possible, due to the presence of machinery operating in the area to facilitate construction power to the Muskrat Falls site. We apologize for any inconvenience this may cause.

At Nalcor Energy, the safety of our employees, contractors and the public is our number one priority.
