

Acts of Kindness:

Nalcor Energy employees lend a helping hand to charities across the province

April 26, 2013 –Nalcor Energy and Newfoundland and Labrador Hydro (Hydro) concluded its third annual Acts of Kindness Week today. During the week, employees across Newfoundland and Labrador volunteered their time and talents to support various community-based organizations in their area.

“Giving back to communities in Newfoundland and Labrador is important to our company and our employees,” said Rob Henderson, Vice President, Hydro. “We have employees across the province that actively supports organizations in the communities where they work and live. Acts of Kindness Week is a special opportunity for them to lend a helping hand to charities and community groups.”

This year, Nalcor and Hydro employees worked with over 25 charities and non-profit groups across the province, volunteering over 100 hours of their time to organizations in their communities.

Nalcor and Hydro employees volunteered for the following organizations with Acts of Kindness throughout the past week:

Bay d’Espoir Academy, Bay d’Espoir	Beagle Paws, St. John’s
Boys and Girls Club, St. John’s	Canadian Blood Services, St. John’s
Community Food Sharing Assoc., St. John’s	Easter Seals, St. John’s
Greenwood Manor, Bay d’Espoir	Habitat for Humanity, St. John’s
Holycross Elementary, Holyrood	Jimmy Pratt Memorial Soup Kitchen, St. John’s
KM Homes Ltd., Bay d’Espoir	Kids Eat Smart Foundation, province-wide
Lions Club, Churchill Falls	Salmonid Interpretation Centre, Grand Falls-Windsor
