

## **Nalcor hosts open houses across province on Lower Churchill Project**

*April 14, 2011, St. John's, NL* – Over the next three weeks Nalcor Energy will host a series of seventeen open houses/information sessions across Newfoundland and Labrador to provide general information on the Lower Churchill Project to interested members of the public. The open houses will begin on Monday, April 18<sup>th</sup> in St. John's at the Capital Hotel from 3 to 8 p.m.

All of the public open houses will have Lower Churchill Project team members present to provide accurate information on all aspects of the proposed project, as well as answer questions from the public.

Nalcor is committed to open communication and information-sharing on the proposed Lower Churchill Project with communities. As a part of this commitment, Nalcor encourages the public to attend open houses across the province.

Visit the Nalcor website for more information on dates and times of upcoming public open houses.
