**NOTES TO CONDENSED INTERIM FINANCIAL STATEMENTS (Unaudited)**

---

**1. DESCRIPTION OF BUSINESS**

Labrador-Island Link General Partner Corporation (LIL GP or the Company) was incorporated on July 26, 2012 under the laws of Newfoundland and Labrador. LIL GP is a 100% owned subsidiary of Nalcor Energy (Nalcor) and is the general partner of the Labrador-Island Link Limited Partnership (LIL LP). LIL GP's head office is located at 500 Columbus Drive, St. John's, Newfoundland and Labrador, A1B 0M1, Canada.

LIL LP was formed to carry on the business of designing, engineering, constructing, commissioning, owning, financing, operating and maintaining the assets and property constituting the Labrador-Island Link (LIL). LIL LP has entered into the LIL Lease Agreement and the Transmission Funding Agreement with Labrador-Island Link Operating Corporation (LIL Opco) and Newfoundland and Labrador Hydro (Hydro), both of which are wholly-owned subsidiaries of Nalcor. These agreements effectively provide for a lease of the LIL assets to Hydro. LIL Opco will maintain and operate the LIL on behalf of LIL LP.

The Company owns the only issued general partner unit of the LIL LP, thereby constituting it the LIL LP general partner. As the general partner, in accordance with the Limited Partnership Agreement relating to the LIL LP and applicable law, the LIL GP has the power to control and manage LIL LP. Labrador-Island Link Holding Corporation (LIL Holdco), a wholly-owned subsidiary of Nalcor, and Emera Newfoundland and Labrador Island Link Inc. (Emera NL) are the limited partners of LIL LP.

**2. SIGNIFICANT ACCOUNTING POLICIES**

**Statement of Compliance and Basis of Measurement**

These condensed interim financial statements have been prepared in accordance with International Accounting Standards (IAS) 34 Interim Financial Reporting and have been prepared using accounting policies consistent with those used in the preparation of the annual audited financial statements for the year ended December 31, 2016.

These condensed interim financial statements do not include all of the disclosures normally found in LIL GP's annual audited financial statements and should be read in conjunction with the annual audited financial statements.

These condensed interim financial statements have been prepared on a historical cost basis and are presented in Canadian dollars with all values rounded to the nearest thousand, except when otherwise noted. The Board of Directors of LIL GP has delegated the authority to approve the condensed interim financial statements to the Audit Committee of the Board of Directors of Nalcor, which approved the statements on May 9, 2017.

**3. FINANCIAL INSTRUMENTS**

**Fair Value**

The estimated fair values of financial instruments as at March 31, 2017 and December 31, 2016 are based on relevant market prices and information available at the time. Fair value estimates are based on valuation techniques which are significantly affected by the assumptions used including the amount and timing of future cash flows and discount rates reflecting various degrees of risk. As such, the fair value estimates disclosed are not necessarily indicative of the amounts that LIL GP might receive or incur in actual market transactions.

As a significant number of LIL GP's assets and liabilities do not meet the definition of a financial instrument, the fair value estimates disclosed do not reflect the fair value of LIL GP as a whole.

Establishing Fair Value

Financial instruments recorded at fair value are classified using a fair value hierarchy that reflects the nature of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1 - valuation based on quoted prices (unadjusted) in active markets for identical assets or liabilities.

**NOTES TO CONDENSED INTERIM FINANCIAL STATEMENTS (Unaudited)**

---

Level 2 - valuation techniques based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - valuation techniques using inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value. For assets and liabilities that are recognized at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. There were no transfers between Level 1, 2 and 3 fair value measurements during the periods ended March 31, 2017 and December 31, 2016.

As at March 31, 2017 and December 31, 2016, the Company did not have any Level 2 or Level 3 instruments. The fair value of other receivables and other payables approximates their carrying values due to their short-term maturities.

**4. RELATED PARTY TRANSACTIONS**

LIL GP enters into various transactions with its parent and other affiliates. These transactions occur within the normal course of operations and are measured at the exchange amount, which is the amount of consideration agreed to by the related parties. Related parties with which LIL GP transacts are as follows:

Related Party	Relationship
Nalcor	100% shareholder of LIL GP
Hydro	Wholly-owned subsidiary of Nalcor
Lower Churchill Management Corporation (LCMC)	Wholly-owned subsidiary of Nalcor
LIL LP	Limited partnership between LIL Holdco and Emera NL

Outstanding balances due to or from related parties are non-interest bearing with no set terms of repayment, unless otherwise stated.

- (a) As at March 31, 2017, LIL GP has related party payables totaling \$15 thousand (December 31, 2016 - \$nil) with LCMC and related party receivables totaling \$15 thousand (December 31, 2016 - \$nil) with Nalcor.
- (b) For the period ended March 31, 2017, LIL GP has received contributions from Nalcor totaling \$8 thousand (March 31, 2016 - \$nil) to settle its intercompany liabilities.

**5. COMMITMENTS AND CONTINGENCIES**

- (a) Under the terms of the Newfoundland and Labrador Development Agreement (NLDA), the Company has certain responsibilities and provisions of duty with which it must comply in its role as the general partner. Any failure of LIL GP to comply with the NLDA will result in Nalcor indemnifying Emera NL for any losses sustained.
- (b) LIL GP is subject to various legal proceedings and claims in the normal course of business. Although the outcome of such actions cannot be predicted with certainty, Management currently believes LIL GP's exposure to such claims and litigation, to the extent not covered by insurance policies or otherwise provided for, is not expected to materially affect its financial position.
